NEWS OF FLORENCE

Memorial Services in Honor of Rev. Whittemore — Personal Mention.

Florence, Feb. 26.—(Special Correspondence of The Republican.)—The death of Rev. I. T. Whittemore of Pasadena, Cal., but late of Florence, caused a wave of regret to spread over this town, not only because of the tragic manner in which the reverend gentleman met his fate, but on account of the high esteem in which he was held by the older residents of Florence. The deceased was pastor of the Presbyterian church here for a period of eleven years, and during that time was a hard worker both for the benefit of his congregation and the welfare of the town generally, taking his part in any movement that the thought would be for the public good. A memorial service was held yesterday evening at the Presbyterian church, the Rev. Dr. Meeker presiding, the sermon, Dr. Brockway also spoke to

the congregation in eulogistic terms regarding the deceased's character. Business was to some extent at a standstill from 4 to 5 o'clock p. m. several stores and other establishments suspending work during that time. At a meeting of the central republican committee of Pinal county held at Florence yesterday the following gentlemen were elected as delegates to represent the county at the convention to be held at Tucson on March 31st, next: A. W. Childs, Mammoth; Chas. Bennett, Casa Grande; T. C. Dole, Casa Grande; J. J. Fraser, Florence; C. G. Powell, Florence. The delegation will be instructed to support Roosevelt's nomination for president.

The baseball fans here got a "solar plexus" when the report of the Mesa game reached home, and would advise a general shaking up of the team, especially as regards putting young blood in the team. No offense to the "experienced" players, but sometimes they overtrain themselves and get stale as a consequence.

Mrs. Walter Johnson, wife of the worthy lumber merchant of Tempe, is a visitor here, being the guest of Mrs. Neimeyer.

Miss Winnie Devine is a visitor at Troy, having gone on a week's outing to see her parents and other members of the family.

Monday last being the anniversary of Washington's birthday a dance was held at Kenilworth school house in honor of our esteemed countryman.

Quite a number of Florence people were present, amongst others the following were noticeable: Mr. and Mrs. Phyllis R. Lewis, Miss Cramer, Miss Hicks, Mrs. Wm. Wright and Miss Jessie Wright, Mr. B. W. French, Frank Watson, Chas. Wright and J. E. Bradbury. Refreshments were served at midnight and a very enjoyable time was brought to a close in the "wee sma hours" of the morning. The Florence orchestra provided the music.

Judge Doan is confined to the house at present through sickness.

Mr. and Mrs. A. J. O'Connor have returned from a visit to Mrs. O'Connor's parents at Tempe.

Mrs. W. C. Truman is visiting with friends in Phoenix.

Washington's birthday was celebrated here to an unusual extent, the school and all places of business having a holiday. The town generally had a gay appearance, many flags and much bunting being displayed.

The ladies of Florence have lately formed a riding club and from appearances are going into the business with much energy, judging from the numerous occasions on which they may be seen out on excursions in the surrounding country.

The following is a list of the guests registered at the Florence hotel: T. H. Christy, Nelson, Noh, C. B. Cosen, McKimley, "Neener My God, to Tice," McQueen, Mesa, H. P. Anewall, Prescott, A. C. Sieboth and wife, Globe.

State of Ohio, City of Toledo, Lucas County, ss. Frank J. Cheney, making oath that he is the senior partner of the firm of F. J. Cheney & Co., doing business in the city of Toledo, Ohio, and State of Ohio, and that said firm will pay the sum of ONE HUNDRED DOLLARS for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure.

Sworn to before me and subscribed to my presence, this 6th day of December, A. D. 1903. A. W. GLEASON, Notary Public. Hall's Catarrh Cure is taken internally and acts directly on the blood and mucous surfaces of the system. Send for testimonials, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. A CONFUSION OF NAMES

Which Caused a South Side Reporter to Swell up With Pride.

The south side representative of the Phoenix Enterprise observes with satisfaction and a swelling chest the growth and development of the rural mail service system. Yesterday he caused to be printed in the Enterprise the following:

"The rural delivery routes are being improved every little while, and those to receive new boxes today are H. Dana and J. Hastings, ranchers living south of town. These boxes were furnished by the Phoenix Enterprise and were manufactured by the John H. Forney company, of Burlington, Ia."

The Republican does not like to speak of little things like this, but the Enterprise is not treating The Republican circulator right. Those boxes were not furnished by the Enterprise but by The Republican. The circulator, with great care, labor and with a due regard for the ornamentation, yesterday morning painted the names of Mr. Dana and Mr. Hastings on the boxes and sent them to Mr. Pomeroy, the south side representative of The Republican, who put them up, only to have the Enterprise reporter happen along and claim them for that paper. It may be said in justice to the Enterprise reporter that he has not done this thing intentionally. He saw the

name "Enterprise" stenciled on the boxes and not unreasonably concluded that they emanated from that newspaper. It is a fact that the boxes were manufactured by John H. Forney, of Burlington, Ia. The Forney box is a very good box; it is one of the boxes which have been approved by the post-office department and The Republican has been engaged for a long time in distributing them and boxes of other patterns among its subscribers along the numerous rural routes running out of Phoenix, Tempe and Mesa.

Mr. Forney gave the boxes of this class the trade name of "Enterprise." That was an unhappy selection of a cognomen and is really the only drawback the box has. But Mr. Forney at the time he was christening his box had never heard of the Phoenix Enterprise or he would probably have chosen some other name.

MR. HANNA'S FUNERAL

The Part Taken in It by the Gridiron Club.

The New York Herald received here yesterday contains the most comprehensive account of the funeral of Senator Hanna printed by any newspaper. It mentions a feature of the funeral procession as follows:

"The hearse was preceded by a squad of police and a carriage containing a committee of the Gridiron club. This committee had been appointed at the request of the family because of the close relation existing between Senator Hanna and the club. It consisted of L. A. Coolidge, president; General H. V. Boynton, S. E. Johnson, C. C. Randolph, Major J. M. Carson and F. E. Leupp. Following the hearse were the fifty members of the committee of the senate and the house in carriages."

Mr. Randolph, one of the committee, was a former proprietor of The Republican.

Speaking of the close of the service, the Herald says: "The climax came when the quartet of the Gridiron club, stationed in the front row of the press gallery sang, Senator Hanna loved the music of this quartet, and it sang the favorite hymn of both Senator Hanna and President McKinley, 'Nearer My God, to Thee.' Everybody was greatly affected and there was a feeling of relief from a scene that struck to every heart as Dr. Hale pronounced the benediction and Senator Frye dismissed the audience with the statement that the body of Senator Hanna would be taken in charge by the congressional committee and the officers of the senate and conveyed to its last resting place in Ohio."

"May God consecrate his life and death to us who loved him well," exclaimed Senator Frye as he let the gavel fall."

M. Goldwater & Bros. "THE BEST ALWAYS"

I WEIGH 175 lbs. Former Weight 155 " Gain 40 lbs.

There are people who say that the benefit derived from the use of put-up medicines is imaginary. It is not the case with Dr. Pierce's Favorite Prescription, which makes weak women strong and sick women well. A woman may imagine the weak, or may fancy she's sick, but her imagination can't add forty pounds to her weight. The positive proof of the curative power of "Favorite Prescription" is found in the restoration of health which is recorded in face and form, of strength which can be tested, and weight which can be registered in pounds and ounces.

The general health of women is so intimately connected with the local health of the womanly organs that when these are diseased the whole body suffers loss. Dr. Pierce's Favorite Prescription cures womanly diseases. It establishes regularity, stops weakening drains, heals inflammation and ulceration and cures female weakness.

"I am very glad to let other poor sufferers know what Dr. Pierce's medicine have done for me," writes Mrs. Edwin H. Gardner of Newburgh, New York, N.Y. "I was told that you wrote to me last summer. I read what you said and I was glad to hear of it. I thought I would try it, and I found it was a blessing to me and my family. I began in June and took six bottles of your medicine, and three visits of 'Pellets.' I took your medicine a year when I had a ten-pound girl. I had the easiest time I ever had with any of my three children. I have been very well since I took your medicine. I took three bottles of 'Favorite Prescription,' three of 'Discovery,' and three visits of 'Pellets.' I had no appetite and could not eat much without it distressing me before I took your 'Favorite Prescription,' and I only weighed 135 pounds. Now I weigh 175."
